A CALL TO PROTECT

“As pastors of the Catholic Church in the United States, we state clearly and as strongly as we can that violence against women inside or outside of the home, is NEVER justified. Violence in any form— physical, sexual, psychological, or verbal IS SINFUL, often it is a crime as well. We have called for a moral revolution to replace the culture of violence. We acknowledge that violence has many forms, many causes, and many victims—men as well as women.”

We invite you to host a display table called **EMPTY PLACES AT THE TABLE**. This visual is a memorial to the women and children who have died through acts of family violence in the Twin Cities last year. Their deaths have left “empty places at our tables.” Your willingness to bring this display to your parish community is a vital first step in establishing awareness of the evil of domestic violence and ultimately the goal of protecting the victims.
