Mentorship Prayer

Dear Virgin Mary,

When you received word from the Angel Gabriel that you would bear a child to be the Mother of God, you went to your cousin Elizabeth, who was with child in her later years.

This event of the Visitation was a beautiful example of mentoring and we ask for your help for each of us through the gifts and talents you and Elizabeth shared. We lift up our work to mentor women as we pass on the faith and knowledge of the Council of Catholic Women. God exalted you and we follow this in our examples to others, We pray this in the name of Jesus your Son.

Amen
